

## CHURCH CLEANING ROTA

01 February 2021 -February 2022

It is up to you what day of the week and what time you clean; the idea is that the church should be clean for Sunday. Key from Tessa or presbytery. Text me when you know what day you need a key and I'll work on finding a better system.

The area to clean is the entire building: carpeted areas need hoovering; tiled areas need sweeping and mopping; parquet wooden floors need sweeping. Walls, window shelves, radiators, statues, pictures like to be dusted occasionally to get rid of cobwebs; brass likes to be polished occasionally. Toilets should be cleaned once a week. *Priests toilet and back door entrance: floor takes a long time to dry; it can take days! Opening the side window could help, but warn priests if it's left open when you leave.*

***Any ideas about how to clean please share! Leave Tessa notes if any product needs replacing.***
